REQUEST FOR TRANSIENT PERMISSION

Students may receive permission to take courses at another institution for transfer back to Brewton-Parker College. This prevents his/her having to apply for admission elsewhere and then being uncertain whether the credits will transfer back once they are earned.

In order to receive transient permission, the student must:

- Be in good standing academically [not on any form of academic warning, probation, suspension, or exclusion]
- Request a transient letter to be sent to the other school
- Provide the BPC registrar's office with course descriptions of the classes he/she wants to take

NOTE:

- The courses must fit into the student's degree plan in order to be acceptable for transient credit.
- All financial aid will remain based on the student's enrollment at Brewton-Parker.
- Concurrent enrollment at BPC and another institution requires prior approval by the Academic Dean.
- Application to degree requirements limited to 9.0 for an Associate's degree and 18.0 for a Bachelor's degree
